College, Hangal

About Peetha's

Mrityunjaya Vidya Peetha an educational institution with spiritual blessings is located at Haunsbhavi, a tiny village which is a part of Hirekerur taluk, Haveri district of Karnataka State. The place where the Vidya Peetha stands today was the "Karma Bhoomi" of his Holiness Sri. Mrityunjaya Swamiji of Murughamatha, Dharwad. He was born with a mission "Education for all: Education for the downtrodden". The vision of Swamiji led to establishment of Mrityunjaya Vidya Peetha in 1918.

From a modest beginning the Peetha gained strength year after year. Ever since 1918, the Peetha has been instrumental in kindling, nourishing and propagating a silent revolution in the field of education by benefitting countless men and women.

Over the years, the Peetha has added new dimensions of its educational endeavor's amidst many odds.

Every year hundreds and thousands of students enroll from the kindergarden to undergraduate courses in formal and technical education. The Peetha has withstood the test of time and is a trusted name. The Peetha has a glory of more than hundred years in the field of education.

About College:

Falling in line with the cherished vision of Mrityunjaya Vidya Peetha, Mahantswamy Arts, Science and Commerce College was started in the year 1967. This event happened at a time when higher education was concerned to be the privilege of the rich. The college provides shelter of an educational umbrella to the poor, downtrodden and unserved surrounding this rural hinter land. And College offers Arts, Science and Commerce streams at under graduate level and it has been toiling and moiling relentlessly in imparting quality higher education. Along with academic excellence, character formation, shaping responsible and responsive citizens and personality development are also given top priority. The academic family constitutes 20 dedicated permanent teaching faculty with 10 doctoral degree holders. The College has completed 3rd cycle accreditation with "B" level by NAAC in August-2019.

About Library:

M.V.Peetha's Mahantswamy Arts, Science and Commerce College library is housed an independent building. The mission of the Library is to facilitate the creation of new knowledge through acquisition, organization and dissemination of knowledge resources and providing for value-added services. The library subscribes to an adequate number of journals and magazines, daily newspapers which brings the most up-to-date developments in Technology, Arts, Science and Social Sciences. The library is equipped with more than 35000 books of different disciplines. Also it has a rich source of books which have been gifted from various organizations and other outside members, in this move we have books gifted from writers and many others. The computer lab is provided with the 25 desktops in order to provide online sources like databases to students and faculties. The Library is fully automated with library management software and all the books were bar-coded. The library is also equipped with CCTV for the surveillance purpose.

About Webinar:

This webinar focused on redesigning of library resources & services to bridge the gap between physical library access and the users arised due to Covid-19. The highlights of the webinar includes understanding the user needs, challenges faced during pendamic, type of new resources & services to be introduced, various channels to reach out the users, areas of redesigning the library services, strengthening the librarians with new skills and competences required for delivering effective library services. The ocean of knowledge - N-List which has thousands of journals in its collection and the Open Access Journals & Books will also be discussed during the webinar.
