ABOUT PEETHA

Mrityunjaya Vidhya Peetha a Pioneer educational institution for the unserved, is going to celebrate its centenary germinated in 1918 with the divine blessings of his holiness Mrityunjaya Swamiji of Murghamath, Dharwad. It is located at Haunsbhavi, a tiny village with all the features of rural hostility falling under the cluster of Hirekerur taluk in Haveri district, Karnataka State. We trust in the adage 'Practice what you preach' 'Preach what you promise' 'Promise what you promote' 'Promote what you proclaim' and 'Proclaim what you promulgate'.

The dream and deeds of the institution are to equip the rural youth to shoulder self and societal responsibilities. Quality education is our cherished goal. We strive hard to mould our student stakeholders to fit into the present day requirement. We look beyond the horizon to empower our clientele with such qualities which would make them worthy citizens.

ABOUT COLLEGE

Falling in line with the cherished vision, Mrityunjaya Vidya Peetha established Mahantswamy Arts, Science and Commerce College in the year 1967. This event happened at the time when higher education was considered to be the privilege of the rich. The college provided the shelter of an educational umbrella to the poor, downtrodden and unserved lot surrounding this rural hinter land. From a small beginning the college gained strength year after year and has completed fifty years since its establishment. This year along with the Peetha's centenary, the college is set to celebrate Golden Jubilee. Our college is a multi-faculty, co-education institution imparting quality education and training in Arts, Science and Commerce streams.

Sizeable clusters of dedicated family members with their rich and pool of knowledge and experience are our monumental strength, shaping responsible and responsive citizens in our mission. Hence our concern is more for standard and quality to create professionals capable of contributing to national progress and humanity at large. Serene campus with the spiritual blessings, spread over 12 acres is the conspicuous beauty of our institution. It is noteworthy that the college has well dedicated and qualified faculty with eight among them hold doctoral degree.

On academic front, our students are performing exceedingly well besides bringing laurels to the college by winning many competitions, held at inter-collegiate university and inter-university levels. Our college is accredited in 3rd cycle at 'B' level with CGPA 2.14.

In brevity MASC college is a trend setter with enviable performance on scholastic and non scholastic fronts.

ABOUT IQAC

Internal Quality Assurance Cell (IQAC) was established in the year 2004 since its inception it has taken many initiatives for quality sustainability and enhancement.

IQAC has the prime task for conscious, consistent and catalytic improvements in the performance of the institution and students. IQAC assures the stakeholders transparency and accountability in the quality management of the institution.

About the Workshop

The workshop provides a platform for discussion on Annual Quality Assurance Report (AQAR) writing in the light of latest NAAC Guidelines.

Guidelines for Submission of AQAR by accredited institutions as per the Revised Accreditation Framework (RAF) will be the discussion at length. It is compulsory for the institutions accredited by NAAC to submit AQAR online.

IQAC has to ensure that whatever is to do in the institution for quality education must be done efficiently and effectively with high standards.
