## Brief Report: 7 Rs Awareness Programme

On **27-06-2024** The **5/27 NCC Coy** in collaboration with the Internal Quality Assurance Cell (IQAC) organized a **7 Rs Awareness Seminar** from 11.30pm to 1.30 pm. The Resource Person Shri. Kirankumar Patil, Lecturer in Biology, MASC PU College Haunsbhavi, highlighted the increasing importance of a circular economy as a sustainable alternative to the traditional linear economic model. During his address, Shri Kirankumar Patil emphasized the need to rethink our consumption patterns, production processes, and waste management practices to create a closed-loop system that minimizes waste, maximizes resource utilization, and fosters long-term ecological balance. Building upon the foundational principles of the 3Rs (Reduce, Recover, Recycle), the circular economy introduces four additional dimensions: Rethink, Revamp, Refuse, and Repurpose. This comprehensive guide delves into the details of the 7Rs of the circular economy and explores their implications for a more sustainable future. Shri S. A. Thippesh, Principal of the college, delivered the presidential remarks, and Lt. Husenasab C. Kalagonda presented a welcome speech. SGT Gulshan Jhalegar and SGT Ayesha served as the masters of ceremony, while cadets Akshata and Bhumika delivered the vote of thanks. Shri. M. B. Bandiwaddar Vice-Principal, Dr. Mallikarjun Kumbar IQAC Coordinator, and Dr. S.S. Mathapathi were also present at the seminar. The event saw a total attendance of 160 students, including 106 NCC cadets.
