Pulse Polio Immunization Drive – An Extension Activity

Date: 21 December 2025

Place: Various Polio Drop Centers – Nearby Haunsbhavi College-Haveri District (Adopted Areas)

Organised by: 5/27 NCC Coy

Report

The 5/27 NCC Coy organized and actively participated in the **Pulse Polio Immunization Drive on 21-12-2025** as part of its extension and social responsibility activities. The programme was conducted in connection with **National Polio Day**, observed across India through a nationwide Pulse Polio Immunization campaign.

Under the guidance of the **Principal of the College**, NCC cadets created awareness among parents and the general public regarding the importance of polio vaccination for children. Polio (poliomyelitis) is a highly contagious viral disease that primarily affects the human nervous system and may cause permanent paralysis. The cadets emphasized the necessity of timely immunization to prevent this life-threatening disease.

The NCC cadets rendered voluntary service at various **polio drop centers** located in different areas. They assisted health workers by guiding parents, motivating them to vaccinate their children, and ensuring smooth conduct of the immunization process.

The programme witnessed the active participation of **Lt. Husenasab C. Kalagonda, Dr. Mallikarjun Kumbhar, Dr. Kotesb B.**, college staff members, and NCC cadets. A total of **28 NCC cadets (SD – 12 and SW – 16)** actively participated in the drive and contributed to the success of the programme.

The activity helped instill a sense of social responsibility among the cadets and supported the national goal of achieving and sustaining a **polio-free India**.
